A Little Resistance

Recovered maintenance sheets

Three maintenance sheets were recovered following an electrical fault. Complete all three word searches and cross out every listed term. For each sheet, record the letters that remain unused, reading left to right and top to bottom. The technicians noted that the same problem seemed to repeat itself.

Objective

Use what you recover from the three phases to determine the final answer.

Flag format

`FLAG_<ANSWER>`

Use uppercase letters and no spaces in <ANSWER>.
